

Thank you for
making it possible.

CIA Director
National Honorary Chair

Thank you for considering a contribution to your favorite charities through the Combined Federal Campaign. Together, we can make it possible for participating charities to save lives, support struggling families, and help millions of people in the DC metro area, across our great nation, and around the world.

If you've already donated to this year's CFC, thank you for helping to change the world. If you've not yet given, it's not too late to support your chosen charities with a generous donation through the Combined Federal Campaign. You can give online at www.cfcnca.org or using a paper pledge form.

Whether you donate via payroll deduction, credit or debit card, cash, or check, please know you have my deepest appreciation for your generosity.

Thank you for making it possible.
